

CONNECT CHARTER SCHOOL SOCIETY

Policy Title: **Fund Development**

Policy No. **3.04**

RATIONALE: Connect Charter School, as a publicly funded charter school, is committed to providing exemplary and replicable educational programming within the funding framework administered by Alberta Education. The Board recognizes that educational programming can be enhanced through fund development initiatives.

POLICY: The Board of the Connect Charter School Society supports fund development initiatives designed to provide research, collaboration, innovation, professional development and the enhancement of learning experiences within the school and beyond through specific projects, capital / infrastructure initiatives, student endowment funds, and other ventures.

PRINCIPLES:

1. Solicitation of gifts made by anyone for the benefit of Connect Charter School, or any agency thereof and other affiliated societies, shall require the approval of the Board or its designate.
2. The Board shall determine the need for fund development and will be responsible for fund development efforts.
3. The Board will establish a fund development foundation under the Societies Act to coordinate and oversee fund development initiatives.
