

## Teacher Profile - Katie Haigh

### How long have you been teaching at Connect Charter School?

I've been teaching at Connect for three years, and this is my first year as a Phys Ed teacher. I actually went to Connect Charter School from grade 4-9 back when it was called the Calgary Science School.

### What do you like to do when you're not in the classroom?

You can find me drinking tea, doing a crossword, or watching Netflix.

### Tell us somethings about yourself that most people don't know about you?

1. I love jokes! My favourites are pun, and if you spend any time in the gym you will be subject to a "Dad joke" or two.
2. I have a bit of a sweet tooth and love all types of sour candies.
3. My favourite adventure activities include hiking, camping, canoeing, skiing and backpacking.
4. I change my hair colour more than I change my mind, so don't be surprised if you don't recognize me at first.
